

Youth Advocacy Network (YAN) Leadership training and briefly history about YAN and sierra Leone. Activity report.

On the 27 April the Youth Advocacy Network (YAN) successfully undertook the independent day on April 27 2024, the chair person was Abubakarr Sesay he was introduced by Fanta J Koroma.

In the agenda we have a pre test which is done by every member, and the leadership training facilitator Abubakarr Sesay facilitate to everyone for a better understanding

He teach members the quality of a leader the difference between good leader and bad leader, he says a good leader must be accountability, transparency and good communicators, a good leader always seek interest for his country or community and he always include his people on discion making. And a bad leader always seek interest for him or her selves and he always makes discion on his own.

In the presentation of YA N history Sajor Jalloh formal president of Y A N says this organization is form in two groups by the name of CYAB and DCI he say the word CYAB was formed by DCI and the name Y A N was formed by CYAB, he says the first activities YAN under take which is international women's day was celebrate in samamaya community he says before Y A N under take the activities they organize them selves and went to various organizations and seek for help, for them to under take the activities, he says after under take the activities there was some amount of money which remain, they decide to register the organization at the district council with the remaining money. He says In 2017 is the year the name Y A N was proanunce by Amara Salifu Samura, the first president was Sajor Jalloh he was appoint by his colleagues.

In the presentation of YAN history there was two members by the name of Fasalie B Kamara, and Bailor Marah. They read out the information to members and educate members about the organization.

Presentation of sierra Leone history and west Africa there was two members, by the name of Famata Sewa west Africa history, and Balasama Marah sierra Leone history, they read it to members and educate members about the history of sierra Leone and west Africa.
